

CHATTER BOX

March 2025

Words from the Pres...

Greetings fellow Texans!

We have elections coming up this month. We're hoping to get a good selection of candidates. It's up to you to volunteer.

While at the dumpster, I noticed many things that could be recycled, such as cardboard, papers, plastic bottles and cans. The Recycling Center is just 2 miles away on Commerce. From our park take Harrison to Commerce. Turn right and follow Commerce to the Recycling Center on the right hand side of the street. They don't take electronics, tires, or styrofoam. Let's try to keep our park clean without filling the dumpsters.

Have a safe journey back north and a wonderful summer. See you in the Fall.

Paul Love, Chairperson

MESSAGE FROM THE OFFICE

Where did this winter season go? March is here and it's time for some to think about heading back up North. It's been a fun season, not thinking about the cold weather!

Before you leave the RV section to go home, stop into the office and reserve your spot for next season.

Thank you for being part of the Eastgate Family this year. We look forward to seeing you again next season. Safe travels as you head North.

All park information is also on line at EastgateRVpark.net

ENTERTAINMENT

February was our last month of entertainment. The committee that has been doing entertainment the last 8 years has decided to pass the baton to another committee going forward after this coming year. Margaret has found some new people to take over those duties. They will work together this coming season and then the new committee will be ready to do it on their own. Thanks to them for stepping up so our fun entertainment can continue.

We hope you enjoyed this year's great entertainment on Friday nights.

Have a great summer. We'll see you in the Fall.

Margaret and committee

Life goes the way your mouth turns. Smile more than you frown.

ACTIVITIES

It is hard to believe that the 2025 season is almost to an end: however, it is not over yet!
Here are the March 2025 Activities that you can look forward to:

I am hoping to be able to get another boat tour on SPI. Please check Bulletin Boards and Facebook for updated information.

It has been my blessing and pleasure to have served you again this season.

Till we meet again, God Bless... Colleen

Always leave when you're still
having fun!!
Have a good summer! See you
next season!
