

CHATTER BOX

February 2025

Words from the Pres...

Greetings fellow Texans!

I do have to say that I'm enjoying being here a whole lot more than back home in the cold, snowy north even though their weather did visit the south for a short bit. Our Friday entertainments have started. Big cudos to Margaret for her hard work in obtaining wonderful entertainers! Breakfast- we all love to start our day with breakfast. Having breakfast with our friends is even better. Breakfasts will happen if we have enough helpers. Sign up to help. The Nominating Committee is currently obtaining volunteers to be voted onto the board via the elections. We will also take nominations from the floor at the **Feb. 14 Park meeting** for anyone interested in running. The actual vote happens in March. The open positions are Sec. and VP. Until next month...stay cool!

MESSAGE FROM THE OFFICE

It is hard to believe that February is here already. Here in the office we are always looking a month ahead and soon those of you in the RV sections will be receiving your reservation request for next season. By returning this letter you will have first rights to secure your same lot for next season. Once we approach the deadline we can then process those of you that want to try a new lot next season.

Don't worry the season is still going strong with lots of fun food and activities coming your way. Get out and enjoy the warmer than home weather.

All park information is also on line at EastgateRVpark.net
