ROUNDUP
APRIL
2020

The ROUND-UP

FROM THE NEW MANAGERS:

Lonny and I are so happy to once again be your Park Managers. (Denise calls us recycled...do you believe that?) We will do our best so that you are proud to call Texas Trails your home. We have always had an open door policy and you can come to the office to discuss any issues that you may have. We may not always give you the answer that you want but we will listen and discuss.

Our office staff, maintenance and housekeeping will work together as a team; as it takes a whole team to keep the park up and running smoothly. We will be adding staff in maintenance to make a complete crew.

We are just sad that our first week had to start off on such a sour note with the closing of all activities. We all love the activities and the friendships that we share. This is hard on all of us. But this too shall pass so we all need to be patient and take care of ourselves.

Lou and Kathy Dewaele will return next year as your activity directors. We are so thankful as they do a great job of keeping your entertained. Mary and Frank Maniaci will return in the office on the weekends. They are great and volunteer where needed. These 4 are true assets to the park.

Barb and Lonny

"IF IT AIN'T FUN, DON'T DO IT, IF YOU
GOTTA DO IT, MAKE IT FUN"

From the Activity Office

TEXAS TRAILS RV RESORT

The ROUND-UP

Been a few changes over the past week. We say farewell to Brenda & Larry. We did learn quite a lot from them and we wish them all the very best in their future travels, adventures and endeavors. We now welcome Barb N Lonny, returning as the Resort Managers, and really believe there are a lot of good things to come. So, with that said....we look forward to a fine and fun future here at Texas Trails, and we want ya'll to come along!

WHAT A CRAZY TIME WE ARE LIVING THROUGH! Life as we've known it here in the United States has changed dramatically over the last few weeks. If we're fortunate this will last only a short time, or it could last a fairly long time, but I tend to think that quite a few things may change because of it. But, one thing that will not change is our desire to see each and every one of you return next year, healthy and ready for a great season. Rest assured, we've got quite a few new entertainers lined up (and a couple of repeats from last season) but working to get away from having entertainers back to back years, and we've cut back to one show a week most weeks. We've got what we feel are some really good bands lined up for you to come dance to as well. But that's not all folks! We will be looking to add (or bring back) some of the fun things from the past....and we're looking for suggestions for new things. So, when you see a suggestion pop up by the Activity Office door, trust that we want to hear (read) your suggestions. We will want detail in the suggestion (we're not to creative with "want to see new activities"). What kind of activity, what time of season, etc. We'll want your name and contact info, because we WILL respond, regardless of the likelihood of it occurring. Might be with questions, suggestions, or to share ideas on how to pull it off.

As usual, we'll be looking for volunteers. Chairpersons (**still need someone desperately to step up for Veteran's Day**) and before then Memorial Day, 4th of July and Labor Day (assuming things settle down by then). I hope everyone realizes, we are forever grateful for each and every volunteer, regardless of how big a task you take on, or amount of time you give, it's each and everyone of you that makes this park such a great place. And here's a challenge for our "older" residents (not necessarily age wise, but length of time here). We have a lot of newer folks coming to our resort and since we all know we're not getting any younger, we challenge you to get to know your new neighbor, invite them to join in an activity or two, and invite them to step up and help keep the myriad of activities going.

You'll hear from us off and on throughout the summer, but in the meantime, God speed best wishes, and come back and see us season.

Lou & Kathy Dewaele
Activity Directors

Now...we do believe that most everyone knows Frank & Mary Maniaci. If you don't, you should. They are awesome folks! They asked me to share the following (and as much as I hate to admit it, I couldn't have put it better 😊)....and it's all positive!

We won't say that St Patrick's Day wasn't a lot of work, or that we put in a lot of time, or that we are very tired now. What we do want to say is that it would never have happened without the volunteers that stepped up to make the luncheon the success it was. Beyond the mental efforts of planning and organizing we were matched peel by peel, serve by serve, clean up by clean up by the volunteers that REALLY made it all happen. At least twenty five people stepped up during prep work, serving, and clean up to accomplish what no two people could have done. We will take credit for gathering the most awesome group of volunteers we have had the pleasure...no the honor of working with. The Texas Trail community needs to know that more can be accomplished with continued turn outs by volunteers throughout the Winter Texan season.

It is said that volunteers are not paid, not because they are worthless, but because they are priceless. We saw that by the bucket full on St Patrick's Day. We would like to add that everybody can volunteer. There is always something that each and everyone can do. Not everyone can climb ladders or carry heavy items or even stand for long periods of time. For those, we say there are other things that you can do. Ask the volunteers from St Patrick's Day. They will tell that there were jobs that could be done sitting, things that need no carrying, and things that weighed no more than a couple of ounces. Please remember that. For activity chair persons remember to find jobs for volunteers with limited capabilities. Even the simplest and smallest task done is one less thing accomplished to free up those who are able to perform more strenuous tasks.

We will close with a great big thanks to those who helped make St Patrick's Day a success and encourage everyone to make the 2020-2021 Texas Trails Winter Texan season a success by stepping up and volunteering. Management and the activities office are already talking about bringing back some of the old favorites of this park and adding some new ideas. All of these plans will work with the unsung, unpaid, but never unappreciated volunteers that make it all possible.

Again, thank to our volunteers and looking forward to a successful 2020-2021 Winter Texan season.

See y'all in the fall,
Mary and Frank Mania

TEXAS TRAILS RV RESORT

The ROUND-UP

FROM THE DEPARTING MANAGERS:

Saying goodbye is bittersweet. Larry and I will be leaving for Zumbrota, Minnesota at the end of March. This makes us happy and sad all at the same time. We are excited to see old friends at Shades of Sherwood and sorry to leave the friends we have made here in the park. We have felt like part of the family.

When Rick Spilman called us and offered us this opportunity, we had no idea what we were getting into as we had never been in an RV Resort, let alone a retirement community. We were excited to learn everything about the park and to meet the people. We are very proud of the things we accomplished for the park and hope we have made it a better place for each of you. We are happy to know that we helped bring the activity fund up from \$10,000 to a little over \$50,000. Lou and Kathy have been great with keeping the fund up with old and new activities.

We will miss you, our friends, please look us up if you get to Minnesota. Follow us on Facebook. Text us if you can, please keep in touch. If you send snail mail our address is 3916 N Potsdam Ave #3213, Sioux Falls, SD 57104

Brenda and Larry

THE HUMMINGBIRD

The tiny little hummingbird
Is a harbinger of spring,
Coming on the gentle air
That balmy breezes bring.

Mama builds a tiny nest
Made of downy feathers,
Lined with delicate spider webs,
Those she weaves together.

She will only lay two eggs
Just once or twice a season,
Two hungry little beaks to feed,
Perhaps that is the reason.

She doesn't have a tuneful song,
Only chits and twitters.
Wings will give a humming sound
As she hovers, dives and flitters.

Flying either back or forward,
They're aggressive in their
feeding.

They feed on nectar from the
flowers,
It's all that they are needing.

At sometime in September,
Hummers seem to know the
signs

For miles of endless flying,
Back to the southern climes.
by Dee Shafer

This kids did an outstanding performance. It's amazing the sounds they got out of steel drums. There were 113 guests plus parents out enjoying and supporting these kids. I think they are definitely worth bringing back to the park. The guest were like kids afterwards playing on the drums.

MERLINS 69TH BIRTHDAY CELEBRATION

On Sunday, February 23, 2020 over one hundred people got together to celebrate Merlin Sutton's 69th Birthday. The actual birthday is on the 24th. Merlin was surprised and overwhelmed by the amount of people who came out to celebrate with him. He told us that he is an only child and this was his first birthday party ever. I'm so glad that his first was so spectacular. Thanks to everyone for coming out to celebrate and a BIG THANKS to Wendy and Tom Schnorr for setting the party up. **Merlin we all love you!**

A BLAST FROM THE PAST

Featuring

SHAKE, RATTLE AND ROLL

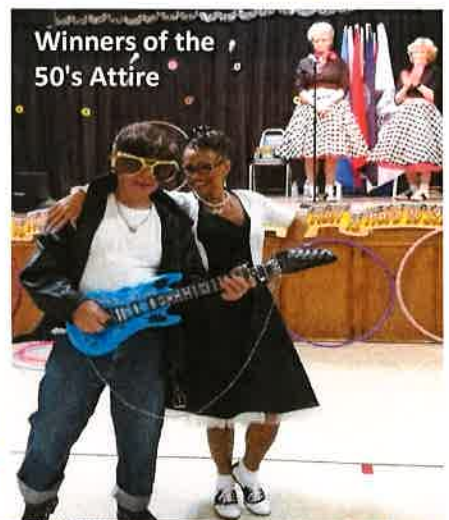

This was mine and Lou's first Sock Hop and we had a blast, as did 180 other Rockin Rollers. Shake, Rattle and Roll put on an awesome fun performance. They were perfect for this event. If you missed them this year you can catch them in 2022. Yes they are coming back!

Doug Bahr and Penny Alvey put together a fun and entertaining dance. Thank you for all your hard work in putting the Sock Hop together.

The Pink Cadillac was a hit, even some smooching going on.

How low can you go?

Get your wings flapping, it's the Chicken Dance

SPITTIN IMAGE

This was a very entertaining fun show.
There was a lot of good music, humor laughter
and audience participation.

We had 101 guests attend the show and
none of them walked away disappointed.

If you missed the show not to worry, Spittin Image will be back in 2022.

Easter Dinner in the Veterans Hall

Sunday, April 12th

Set up at 12:00, Social at 12:30

Dinner at 1:00

**Sign up sheets are on
the board.**

KAI

If you missed this performance you'll get a second chance in 2022 and you won't want to miss it then. This 59 year old from Kauai Island is so full of energy and has a fun, upbeat personality. He had the audience engulfed by his stories of Hawaii and his family history. Kai entertained us with song, dance and humor. Everybody got involved blowing bubbles during his Tiny Bubbles song and they were on their feet for YMCA. We had a group from Alamo Rose join us on their mystery bus trip and they said it was the best trip and enjoyed the show very much. We had 116 guests combined from both parks. It was a BLAST!
